Kim,

Col had a fit over the story you missed this morning. He also wondered why we're keeping you in that court when Nicole Bode, who is not a fantastic reporter, is managing to beat you consistently. He also brought up how labor intensive it was to assign you a dedicated rewrite for the Sean Bell trial when court reporters need to be able to write clear copy on the fly.

One thing's clear, Kim, you're on Col's radar and that's a very dangerous place to be. It means you could be plucked from that court very soon. You have to step it up.

Michelle
